

MISSION STATEMENT ANOAH - PLANT BASED

BRING JOY TO PEOPLE THROUGH FOOD

In ANOAH it's not all about the food it's about the complete dining experience.
For our five course menu we strictly work with plant based ingredients. These products are if possible biologically grown seasonal and regional.

The general enjoyment is the forefront of the ANOAH!
We want to abduct our guests from their everyday life and let them emerge into a new culinary world full of possibilities.

An evening at ANOAH should be memorable with unforgettable food!

We want to make this world a little bit better,

by using our Influence as Chefs or Restaurateurs

to bring the plant based lifestyle to the next level!

Our never resting interest to discover or learn something new is one of our biggest advantages.
We want to be sustainable in every possible aspect to slowly but surely make a difference!

No foodwaste
As little plastic as possible
One menue

We want to be a leading employer in the future of plant based gastronomy.
We love the details, our products our guests just everything and everyone is welcome at ANOAH!
The well being of our guests and employees will always be one of the most important things to us.

MAKE FOOD NOT WAR
And always be kind to each other
